praktičan

Yeti® - praktični prijenosni hladnjak koji možete koristiti u Vaše slobodno vrijeme i za Vaše poslovne potrebe.

Upotrebom leda ili rashladnih uložaka možete sa sobom nositi piće i hranu koji će ostati svježiji satima.

Zahvaljujući trima dostupnim dimenzijama prijenosni hladnjak **Yeti®** omogućuje odabir prikladan vlastitim potrebama.

A person wearing a black long-sleeved shirt and light blue jeans is carrying a white Yeti ice chest. The person is holding the blue straps of the chest. The chest is tilted and has the 'yeti' logo and two black footprints on its side. The background is a dark, textured surface, possibly a cobblestone path.

Yeti® is a handy portable ice chest you can take with you in your spare or working time.

Add ice or a few ice packs and carry your drinks and food with you and keep them cool for hours.

Thanks to three sizes available, **Yeti**® allows to choose the best solution for your needs.

handy

Yeti® is a great promotional tool and can be customized via a dedicated digital printing system.

The handle and the latch come in different colors and different types of EPS can be used to make Yeti® a one-of-a-kind customizable ice-chest.
